

FROM ANDREA'S DESK:

With all of the Crazy snow we have received this winter I want to remind everyone about the **Inclement Weather Policy**. For the safety of yourself and others please consider cancelling meetings, events and programs if the following occurs: the local schools are closed or we have a weather warning. This is an Extension policy that I highly encourage everyone follow. Scheduling meetings can be tricky but knowing that members and participants are safe is always worth it.. If you have questions or want to learn more about this policy feel free to contact me by email, andrea.ripley@wisc.edu or by phone, (715)365-2762
