LEGO ROBOTICS WORK DAYS

As summer creeps near we can finally enjoy the warm weather! Something that I want to try is Lego Robotics work days! With the awesome robots we have, it is a shame they are not used as often. Let's change that! These events will be open to any 4-H family to spend some time exploring the robots. Registration will not be required and you can come and go as you please . Parents are welcome to stay and enjoy the activity with their kids. I have two dates picked out, *May 30th 5:30-8 pm* and *June 4th 5:30-8 pm*. Both will be in the UWEX conference room A/B. I can't wait to see everyone!

4-H'ers are...

- 4X** more likely to give back to their communities
- 2X** more likely to make healthier choices
- 2X** more likely to participate in STEM activities

4-H Focuses On....

- ⇒ Decision Making
- ⇒ Problem Solving
- ⇒ Relating to Others
- ⇒ Planning and Organizing
- ⇒ Learning to Learn
- ⇒ Communicating with Others
- ⇒ Leading Self and Others
- ⇒ Relating to Change
- ⇒ Applying Science & Technology
- ⇒ Developing Self
- ⇒ Mental and Physical Health

We have a DROPOX outside of our office, for any registrations or other items you may need to drop off after office hours!
