APRIL is a special month as we say THANK YOU to our 4-H volunteers since National Volunteer Week is celebrated in April each year. It is a time to thank all of our 4-H volunteers for helping in countless ways to make our program the best it can be. We are blessed in Price County to have some awesome 4-H volunteers. I truly hope each of you know how very much I appreciate you.

Price County 4-H is able to offer numerous opportunities to our youth only because of your time, effort, and energy. Volunteers play a significant role in the success of the Price County 4-H program. These caring, dedicated individuals help make positive impacts in the lives of young people by providing hands-on experiences, building life skills with youth, and sharing their time, talents, and energy. We have 41 volunteers that provide 4-H experiences for the approximately 85 youth that take part in the 7 community clubs across the county.

Remember to say thank you to 4-H volunteers in your clubs, projects, or groups and let them know how much you appreciate their time in helping make a difference in your life and the lives of young people.

Thank you to all of our volunteers!!

We NEED people to teach Shooting Sports in Price County!
If you know someone who may be interested, please pass this on so we can continue the program. This is a perfect opportunity since the training is in Phillips. It only comes here every 2 years!

DO YOU LOVE HUNTING?

Price County 4-H is looking for people to become certified instructors to teach archery, air rifle/rifle or shotgun to youth in our county.

Shooting sports can be gratifying for youngsters, especially those who aren't athletes. The program provides a supportive environment in which young people can experience hands-on, fun learning experiences...BUT we need instructors to teach in Price County to offer this for our youth!

<https://4h.extension.wisc.edu/opportunities/projects/shooting-sports>

INTERESTED? There will be a training in Phillips on May 13 to certify instructors in Archery, Air Rifle/Rifle and Shotgun.

The Price County 4-H Adult Leaders will cover the registration fee for anyone willing to become an instructor & teach the program in our county.
