Dear 4-H Families and Friends:

April is a special month as we say THANK YOU to our 4-H volunteers since National Volunteer Week is celebrated in April each year. It is a time to thank all of our 4-H volunteers for helping in countless ways to make our program the best it can be. We are blessed in Price County to have some awesome 4-H volunteers. I truly hope each of you know how very much I appreciate you.

Price County 4-H is able to offer numerous opportunities to our youth only because of your time, effort, and energy. Volunteers play a significant role in the success of the Price County 4-H program. These caring, dedicated individuals help make positive impacts in the lives of young people by providing hands-on experiences, building life skills with youth, and sharing their time, talents, and energy. We have over 30 volunteers that provide 4-H experiences for the 107 youth that take part in the 7 clubs across the county.

Remember to say thank you to 4-H volunteers in your clubs, projects, or groups and let them know how much you appreciate their time in helping make a difference in your life and the lives of young people.

Thank you to all of our volunteers!!

Julie Diepenbrock
Price County 4-H

you*

Each exhibitor may show any combination of classes provided the horse is only shown once in a specific class number (horse may not show against itself). **Horse Educational:** Did you know that there are a number of horse educational activities that don't require the member to show/have a horse - just a spark for horses? There is a horse speaking and demonstration contest, hippology (skill-a-thon), horse quiz bowl, judging, team problem solving, model horse, and areas for the arts such as photography, posters, drawing and painting, and more. More information about all of these can be found in the horse handbook.

SCHOLARSHIP FUND

WISCONSIN 4-H FOUNDATION

Each year, the Wisconsin 4-H Foundation provides a sum of money to the State 4-H Office for needs-based scholarships for youth to participate in statewide

Educational Experiences. Wisconsin 4-H believes that cost should not be a barrier to program participation. This funding is separate from any county scholarship that they may apply for, and any youth who is participating in a Statewide Educational Experience may apply. You can find full information on the scholarship along with all the opportunities available at <https://4h.extension.wisc.edu/opportunities/statewide-events-and-opportunities>
