Dear 4-H Families and Friends:

Weather has been kind of crazy so I'm still wondering if we will have a Spring or go straight to summer. 4-H and the Extension office are offering several programs this summer, and we can't wait to see you at the events! **Check out the new Foods/Clothing Revue information inside.**

4-H is a great program all year round, but Summer is my favorite 4-H season! Youth K-5th grade, plan to join me for a Day Camp at one of the 4 locations in Price County. We will have a variety of activities you will enjoy! We have several Price County 4-H members and volunteers headed to 4-H Summer Camp mid June! Join us at the Price County public libraries as we present a 4-H program based around their theme. Older youth - Summer Academy in Madison should be super cool. And, of course, spend time getting those projects ready for the fair.

Between summer camps, the Spirit Fair, the Price County Fair, family time, and vacations, don't forget to get started on your 4-H Record Book! Reflecting on your year of learning is a huge part of being a 4-H member and summer will (hopefully) provide time for you to think about all of the great 4-H activities and achievements you have done over the last year. You can find the record book pages on the Price County Extension website on the 4-H page or stop by the office to pick some up.

With all of the summer plans, be sure to check for any deadlines or due dates for any paperwork, registrations, or orientations. As always, if you have any questions please reach out to our office for help.
