Dear 4-H Families and Friends:

Wow! Another 4-H year is about to begin. Enrollment for the 2023-2024 4-H year began Saturday, September 2 - see inside for more information. Summer was full of 4-H activities - see inside for pictures from various events. I enjoyed seeing many of you and your exhibits at the Price County Fair. The fair is a great venue for showcasing the work 4-H members have done and what they have learned throughout the past 4-H

Now it is time to get those record books and portfolios completed. Part of the learning process is reflecting on what goals you reached, what you learned and what you would like to do different next year. Record keeping is a valuable life skill and can earn you 4-H awards and financial scholarships for 4-H travel experiences. Talk to some of our older 4-Hers about their experiences and start writing your

Lots of opportunities are available in the coming 4-H year! Choose what works for you, get involved, and enjoy the journey!
